

GASOLINE ENGINES NOW ADDED TO OUR LINEUP.

**FULL TEAM.
FULL LINEUP.
FULL SUPPORT.**

Effective July 1st, 2016, Mitsubishi Engine will welcome the K-series' gasoline / LPG engine, bestseller in forklift market, to the lineup to strengthen its competitiveness in the global market. A partnership that allows for greater range of products and services while encouraging teams of top talents from both companies to collaborate and accelerate technological inventions - coming together to provide the best, the fastest way possible.
